

PUBLIC NOTICE

South Davis Road is now OPEN to traffic between Hamilton Road and Whitesville Road while construction continues.

Troup County's contractor Kodiak Excavation & Utilities has reopened South Davis Road between Hamilton Road (U.S. 27/S.R. 1) and Whitesville Road (S.R. 219). The construction work on Tom Hall Parkway (also known as Pegasus Parkway Extension) is still continuing. The project is not complete and this portion of the road is not complete, but temporary striping and work zone signs have been installed to allow traffic to flow once again.

As with all road construction, motorists are advised to use extra caution in work zones. Slow down, stay alert, pay attention and obey all work zone/advisory signs.
